### Work Experience:

*Safety Zone, LLC.* - Project Engineer | April 2017 – Present

Preparing and maintaining submittal process, maintaining and processing contractor requests for information and the corresponding logs, working with both the contractor and the architect in order to progress construction projects as smoothly as possible.

*Petco* - Sales Associate | October 2016 – June 2017

*Safety Zone, LLC.* - Intern Asst. Superintendent | June 2015 – September 2016

Internship position at James P.B. Duffy School #12 during summer and Christmas holiday break periods working under the direct supervision of the Site Superintendent and Project Manager in a team environment. Monitored and photographed project conditions and work in progress while assisting with communication efforts between management and Contractors on site.

*The Pike Company, Inc.* - Intern Asst. Superintendent | July 2014 – August 2014

Internship position at John Williams School #5 during summer break period working under the direct supervision of the Site Superintendent and Project Manager in a team environment. Monitored and photographed project conditions and work in progress while assisting with communication efforts between management and Contractors on site.

*Clarkson University* - Computer Lab Assistant | July 2014 – November 2016

Monitored computer Digital Arts computer lab and assisted students on an as need basis. Reported computer issues to lab manager for IT support staff.

*Clarkson Radio WTSC* - Radio Station Host | September 2012 – May 2016

- Station Manager | September 2013 – February 2015

Developed a radio show and music program including regular guest hosts and invitation of special guests from the community and other colleges for interview and discussion of music and current events via radio webcast and broadcast. Promoted to the Station Manager position for dedication to my radio program and station support. As station manager served as liaison between the executive board and the general membership.

*Odyssey Theater Light Crew* - Lighting Technician | February 2009 – February 2012

Member of the theater lighting crew working in concert with the school orchestra, stage crew and performers under the guidance of the musical director for school theatrical productions. Learned to maximize limited resources while providing high quality technical support towards meeting theatrical deadlines.
