Hard working, on time and willing to learn. I've had hands on experience with just about everything and if I haven't then I learn quickly.

Authorized to work in the US for any employer

Work Experience

Foreman/Supervisor

Morris restorations - Vestal, NY
February 2022 to Present

Masonry work, from restoration to pouring forms and concrete floors. We lay patios and build stairs, just about anything masonry related

Lead Mechanic

Top gear auto - Apalachin, NY
January 2021 to February 2022

Troubleshooting electronics, auto HVAC and all thing mechanical.

Assistant Manager

Monro Muffler/Brake - Owego, NY
August 2019 to December 2020

Customer service, estimations, alignments, HVAC and just about everything related to auto mechanics.

Carpenter's Apprentice

January 2019 to August 2019

Measurements, cuts, install, running equipment (scissor lift, forklift, skid steer, front loader) hand tools and power tools.

Operator 1

Recon Oilfield Services Inc. - Montrose, PA
May 2018 to December 2018

Pressure testing BOP's on the drilling rigs.

Laborer

RC Testing - South Montrose, PA
August 2016 to March 2018

Manual labor, moving around equipment more than 100lbs, pressure testing, safeland training. We pressure test blow out preventers on the drilling rigs to ensure there are no leaks on their stacks incase of hit or trapped pressure down hole that could erupt and hurt one or more people.
