+1 607 624 6790

Fresh cycles is all about customer service skills (greeting people, helping people, be respectful, kind, good mannerisms, Make sure everyone finds what they are looking for or need)

Willing to relocate to: Binghamton, NY - Johnson City, NY - Endicott, NY

## Work Experience

---

### **Construction Laborer**

Premier home and property - Broome county ny

October 2023 to Present

Unload truck/trailer, also help with what needs to be done at job sites, clean up job site when finished and then load truck/trailer.

### **Package Handler**

FedEx Ground - Conklin, NY

June 2022 to Present

Package handlers at FedEx are directly responsible for ensuring that the packages are delivered to the right destination.

I am responsible for sorting and routing packages to the right dock along with other package transportation needs. And help others if they are in need.

### **Delivery driver**

Pudgies Pizza - Binghamton, NY

October 2020 to Present

I'm responsible for getting food and delivering it, folding pizza boxes, and when I work closing shift I'm in charge of taking out all the garbage and changing all the garbage bags, Im also in charge of sweeping and mopping the floors front and back of the store, in a prompt manner.

### **Window Treatment Installer**

Martin interiors - Kirkwood, NY

March 2023 to October 2023

Help install window treatment, (drapery, curtains, shutters, blinds, and some of them are motorized. Also clean up garbage from job site when done.

### **Plumbing & Building Trades**

Broome Tioga BOCES - Johnson City, NY

September 2021 to June 2022

I was Taught Plumbing, carpentry, and electrician skills

### **Stock Associate**

Weis - Binghamton, NY

December 2019 to March 2020

I Was responsible for stocking shelves neatly and in order in a timely fashion, also responsible for keeping my work area looking representable. I asked any customer that I saw if they needed help finding anything they need.

### **Fresh cycles assistant**

United way

July 2018 to September 2019

I helped local citizen's fix bikes around binghamton on Mondays and Tuesdays and after the work shift was done we would clean up the shop and organize everything and we would go on bike rides and I would help lead and watch everybody that was on the ride with me my boss and other coworkers.
