Objective

I am a very qualified, reliable man looking for a position with your company. I am a devoted husband and father of one looking for a chance to better myself and also make a living for my family. I truly believe I would be an asset to your company, and look forward to the opportunity to prove this.

Qualifications

I am able to run and operate various pieces of machinery such as:

- Forklifts (2 ton-50 ton)
- Welding and metal cutting equipment
- Jack hammers
- Various types of hand tools
- Heavy machinery such as dozers, excavators, rollers, backhoes, front end loaders, tractor trailers, tri axles, concrete mixers, Bomag milling machine & Lee Boy paver .
- Install residential and commercial water lines various sizes and installing sewer repairs on main lines while charged.
- I have been in charge of job completion including milling and paving to close out the job.
- The last 4 years I have been involved in helping in the bidding process and all phases of management.
- I obtained my commercial drivers license in 1995 and have been driving ever since without any accidents or traffic violations.
- I was currently working on a 36" yy-pass water main in Scranton. Running crews, installing materials and grinder pumps, & and paving when installation is completed.
