

Nyiauwung Freddy Sedrick
Presbyterian Theological Seminary.
P.O BOX 590 Kumba South West Region, Cameroon
Tel: +237 678 636 069/+237 669 376 488, Email: fredinhof@yahoo.com

Professional Summary

Freddy is able to support a business by ensuring that those involved in its operations do so in a safe, healthy and environmentally responsible and acceptable manner. He is of graduate caliber and has gained experience of operating across a wide range of sectors such as: construction, housing, industrial, power, transport and utilities.

Thorough Construction Safety Officer who is certified by OSHA and several local and state safety agencies. Adept at developing safety plans for any location working closely with field management to maintain safety and staying up to date on all safety requirements. Specializes in commercial and industrial construction projects.

As a true professional he is always willing to challenge the status quo and improve on existing standards. Right now he is seeking to join a company that has an environment which supports and values diversity, integrity, trust and openness.
