## **Motivated Self-Starter Ready to Tackle Exciting Challenges and Expand Skillset**

Vestal, NY

[dylanjacobs096@gmail.com](mailto:dylanjacobs096@gmail.com)

+1 607 752 6695

As a motivated self-starter with a passion for helping others, I am excited to tackle new challenges and expand my skillset in a role where I can make a meaningful difference. With a proven track record of mechanics, problem solving, customer service, agriculture, and cultivation, I am committed to using my skills and experience to support and empower individuals and communities. I am dedicated to delivering top quality work that meets the needs of others, and I thrive in collaborative environments where I can learn from and share ideas with coworkers. Whether working directly with clients or behind the scenes, I am driven by a desire to create positive impact and improve lives.

## Work Experience

---

### **Service Technician**

Vestal Chrysler Dodge Jeep Ram - Vestal, NY

December 2021 to Present

Here at Vestal CDJR I have am a service technician. Being a tech, I am responsible for diagnosing and repairing customers vehicles. I also am engaged with customers from time to time to help communicate the problems i have found and explain how we need to proceed in the process of fixing their vehicle.

There is also an aspect of up selling certain but relative services for preventative maintenance on customers vehicles.

### **Delivery Driver**

Metro Mattress - Binghamton, NY

October 2021 to December 2021

During my short time at Metro Mattress, I was tasked with delivering customers order to they houses. Sometimes we would also be tasked with installing the new purchases for them.

### **Property Maintenance**

Yorktowne apartments - Endwell, NY

September 2021 to October 2021

At Yorke Town, I was hired to be part of a property maintenance crew. The crew was responsible for several local properties and making sure all occupant concerns were handled along with up keeping of the properties.

### **Groundskeeper**

Genegantslet Golf LLC - Binghamton, NY

July 2021 to August 2021

At Genegantsle Golf Course, I was hired as part of a grounds keeping crew. We were tasked with mowing the grounds, removing any debris, equipment maintenance, and making new holes for the players on a rotating schedule.

## **Mover/Driver**

Crew4 moving solutions - Johnson City, NY  
July 2021 to August 2021

Crew4 was a moving company. We were a small group that would be sent out to customers houses to assist them in moving from house to house or business to business. We were moving all household items for them in box trucks. Once at the new property, we would unload the items for them. Sometimes we would be asked to place them in the locations that customers wanted them,

## **HVAC Installer Apprentice**

Suretemp - Binghamton, NY  
May 2021 to July 2021

At SureTemp I was an apprentice HVAC installed. I was along side an experienced installed and my job was to assist him do the larger install jobs (A/C and heat units) and learn the trade while assisting him.

## **Tire Technician**
