Personal Summary

Love to be outdoors, and helping people. I'm a very good listener and try to help others understand what's going on. I'm a good leader but know when to be a follower and to take a step back and look at something a different way than I originally planned. I learn things quick execute them to the best of my ability. I am hardworking and passionate about whatever my task is.

EXPERIENCE

Kerry Ellis Heating and A/C, Owego — *Apprentice*

January 2021 - PRESENT

- Install Mitsubishi A/C and heating units, also install hot water heaters and furnaces into peoples homes.
- Assembled air ducts, pipes, discharge valves and flues to central heating and cooling equipment.
- Connected heating or air conditioning equipment to fuel or refrigerant sources to form complete circuits.
- Repaired or replaced defective equipment, components or wiring.
- Utilized pressure gauges and soap-and-water solutions to test pipe and tubing joints for leaks.
- Worked on both home and business units for maintenance, repairs and new installations.

Fahs Construction, Binghamton — *Laborer, Carpenter*

June 2020 - November 2020

- Worked at Binghamton University tearing down and rebuilding Hinman Dining Hall
- Prepared job sites by removing debris with heavy equipment.
- Operated equipment such as fork trucks and skidders.
